Effective date	7 March 2026

1. Purpose of this disclosure

This Affiliate Disclosure explains how TUNERRA uses affiliate and promotional links within the Tunerra websites and application.

2. How affiliate links work

Some product, marketplace, merchant, or shop links shown in Tunerra may be affiliate links. If you click one of those links and later make a qualifying purchase or take another qualifying action, TUNERRA may receive a commission, referral fee, or similar compensation from the third party.

This does not increase the price you pay. Any compensation is typically paid by the marketplace, merchant, or network.

3. Current affiliate and partner relationships

Tunerra may apply for, participate in, or use affiliate and referral relationships involving Amazon, eBay, Google Shopping, merchants, marketplaces, and other automotive or commerce partners from time to time. Availability of programs and links may vary by country, platform, or campaign.

Where applicable, in-app disclosures may appear next to or near outbound buttons, product cards, shop links, purchase CTAs, or similar placements so the promotional nature of the link is clear before you leave the Service.

4. Amazon disclosure

TUNERRA may participate in the Amazon Associates Program or similar Amazon affiliate programs. If and when applicable, TUNERRA may earn from qualifying purchases made through qualifying Amazon links.

5. eBay disclosure

TUNERRA may participate in the eBay Partner Network. If and when applicable, TUNERRA may earn from qualifying purchases made through qualifying eBay links.

6. Independence of recommendations

Our recommendation engine, pricing estimates, and product or shop surfacing may combine automated relevance signals, vehicle information, user actions, feature configuration, availability, and commercial relationships. However, affiliate eligibility does not guarantee that a product is correct, safe, legal, available, or the best option for your vehicle.

You remain responsible for verifying fitment, exact specifications, legality, safety, installation requirements, seller reputation, and total price before buying any part or service.

7. Third-party sites and transactions

When you click an outbound link, you leave the TUNERRA environment. Any purchase, financing, return, shipping, warranty, or dispute is between you and the third party. The third party's own terms, disclosures, and privacy practices apply.

8. Questions

If you have questions about affiliate relationships or disclosures, contact TUNERRA at hello@tunerra.com or support@tunerra.com.
